

Welcome Back! We've Missed You!

We're so happy to be able to offer childcare for our Birth - PreK4 children for our 10:30 am worship gathering on September 6. We look forward to adding more children's activities in the future, but we have to start somewhere. We're happy to give you a chance to attend worship while we take care of your little ones.

While we are excited to have you and your child join us, we only want that to happen if we can make sure that parents, children, and volunteers will be safe. So, there are some important things we need you to know before you come.

We want to work together to keep FBC Kids a safe place. With that in mind, we're asking that you please stay home and participate in our online service if you or your child:

- Has had a fever in the past 14 days.
- Shows any symptoms of COVID-19.
- Has been around anyone who has tested positive for COVID-19 or is awaiting results from a COVID-19 test.
- Currently feels unwell, has a fever, cough, or shortness of breath.

To keep your kids safe as they enjoy being at FBC, we're taking these additional steps :

- Before kids, volunteers, or staff enter the FBC Kids Konnection area, they will need to get their temperature checked. Anyone registering a temperature of 100.4 or higher will not be allowed in the Kids Konnection area.
- We encourage you to only send one parent for drop-off and pick-up to help limit traffic in the hallways.
- All non-essential items from home, like toys, will need to stay in the hallway or in your vehicle.
- We're sanitizing surfaces and toys frequently and our volunteers are washing their hands often. Please encourage your child to do the same.

We look forward to seeing you on Sunday, September 6 at our 10:30 am service.
